

100%
COMMITTED
100% RENEWABLE, 100% DOABLE

What? Your household/organization switches to 100% renewable electricity by 2030.

Who? YOU! Join Massachusetts Southcoast Chapter members and local leaders in the 100% Committed campaign and help us promote a clean energy future.

How? With our support, you'll switch to using locally sourced, clean electricity only.

One excellent option is via our local aggregation program. Find out more at <https://masscea.com/>

100% Committed Businesses:

- Earn a reputation for innovation and forward-looking leadership.
- Align themselves with the core values of many consumers
- Turn customers into passionate advocates for a sustainable future.
- Save money on energy costs by avoiding volatile fossil fuel prices.
